

All On-line CE Accepted for the 2023 Renewal

In response to the on-going COVID Pandemic, the Governor's stance on social distancing, the NCVMB will suspend the requirement that only 10 hours of CE for Veterinarians and 6 hours of CE for Veterinary Technicians may be obtained on-line. Therefore, for the renewal year of 2023, Veterinarians, Faculty and Registered Veterinary Technicians may obtain their CE completely on-line if necessary to complete their required hours (virtually - both interactive and non-interactive). **CE for this renewal year would be obtained in 2021/2022.** (*Technicians renew every two years*). If conditions allow, we encourage members to attend in person for CE if possible.

As a reminder, as part of the CE requirement, **2 hours must be dedicated to controlled substance per the STOP ACT.**
